

THE SAENGERFEST.

The Local Singing Societies Will
be There in Force.

MOZART, ARION AND BEETHOVEN

Vocalists and Their Friends Will
Make the Trip to Toledo in Grand
Style—Decorating the Special
Society Coaches Yesterday—To be
Accompanied by the Opera House
Band—Wheeling's Good Representa-
tion.

The three Wheeling & Lake Erie pas-
senger coaches to be occupied by the
Wheeling singing societies on their
trip to the Toledo Saengerfest to-day,
were switched to the passenger station
on Market street yesterday afternoon
and committees from the societies
spent the day in decorating the sides of
the exterior and the interior of the cars.
The first coach will be occupied by the
Beethoven society, and the committee
under the efficient leadership of Mr.
W. H. Muegge, soon had the car one
mass of cedar, flowers and flags. Each
side of the car has an immense sign the
full length: "Beethoven, of Wheeling,
W. Va." The Mozart people were not
behind their Beethoven brethren in
artistic ability, even if their coach is
located just behind the former, and in
a remarkably short time their car was
a hot rival of the other in point of
beauty.

The car of the Arion society is the
last of the three, and the committee-
men, who were aided by the experi-
ence of Mr. George Dietz, the florist, did
wonderful things with cedar boughs,
flags and flowers.

At Massillon the Wheeling special
train will be met by two special
coaches, one containing the Massillon
society and the other having on board
the Canton singers, who are to be
accompanied by a fine band of forty-five
pieces. The Opera House band will
accompany the Arions of this city, and
will occupy a portion of their coach.

The singers who will be active in the
saengerfest from Wheeling number
about ninety, about equally divided
between the three societies. Wheeling
will be one of the best represented
cities at the big musical gathering, and
the director in chief, Prof. Ring, of
Cleveland, who was here two weeks ago,
has said that he depends more on the
Wheeling singers than on any of the
others.

The special saengerfest train will leave
the Terminal station this morning
promptly at 9 o'clock and will go
throughout except at Massillon,
where the Canton and Massillon
singers' cars will be attached to the
train. Toledo will be reached in the
afternoon, and the singers will take
part in the concert in the evening. Ac-
companying the Wheeling singers,
about 200 of their friends will make the
pilgrimage to the "Future Great"
of Ohio. All expect to have one of the
most enjoyable times of their experi-
ences.

Professor Emil Ring arrived in the
city last evening, says the Toledo Com-
mercial, and is now at the Madison. He
excused himself from a lengthy inter-
view, as he was very tired on account
of his long-continued car riding. He
stated, however, that his tour of the
different societies in the state, with
whom he has been rehearsing the com-
positions which will be given this week,
has convinced him that the Central
Ohio Saengerbund has never been more
enthusiastic nor in a better condition to
give a series of grand performances.
The different societies have labored
long and diligently with their re-
hearsals, and their work promises to
exceed all that has been promised.

Incendiary Fire Last Night.

An alarm of fire was rung in last
night just before midnight from box 61,
at the corner of Thirty-third and Eoff
streets. A fire, supposed to be of in-
cendiary origin, was discovered in a
stable near Wood Bros' planing mill.
It was put out without serious damage,
before the fire department arrived.

In an age of fraud and adulteration, it
is certainly gratifying to know that
such an extensively-used preparation as
Ayer's Sarsaparilla may be implicitly
relied upon. It never varies either in
quality, appearance, or effect, but is al-
ways up to the standard.

Of Interest to Mothers.

The success of Mrs. Annie M. Beam,
of McKeesport, Pennsylvania, in the
treatment of diarrhoea in her children
will undoubtedly be of interest to many
mothers. She says: "I spent several
weeks in Johnstown, Pa., after the great
flood, on account of my husband being
employed there. We had several chil-
dren with us, two of whom took the
diarrhoea very badly. I got some of
Chamberlain's Colic, Cholera and Diar-
rhoea Remedy from Rev. Mr. Chapman.
It cured both of them. I knew of sev-
eral other cases where it was equally
successful. I think it cannot be excelled
and cheerfully recommend it."

If your eyes tire, water, twitch or
burn, or your head aches when reading
or sewing, consult and have them ex-
amined for glasses, free of charge, at
1110 Main street (next to Snook & Co.)
by Prof. Sheff, the oculician.

If you want paving or fire brick, or
sewer pipe, go to West Virginia Sand
Company, 1318 Water street. Tele-
phone 561. Ware rooms corner of Eoff
and Twenty-ninth street.

The Magic Touch

Hood's Sarsaparilla
You smile at the idea, But
if you are a sufferer from
Dyspepsia

And indigestion, try a bottle, and be-
fore you have taken half a dozen doses,
you will involuntarily think, and no
doubt exclaim,

"That Just Hits It!"

"That soothing effect is a magic
touch!" Hood's Sarsaparilla gently
tones and strengthens the stomach
and digestive organs, invigorates the
liver, creates a natural, healthy desire
for food, gives refreshing sleep, and
in short, raises the health tone of the
entire system. Remember

Hood's Sarsa-
parilla

put out the blaze, or there would prob-
ably have been a serious fire.

Run, put up by subscriptions by the

Mrs. Waddell good.

AN OLD SOLDIER

Cut Down by a Train on the Baltimore &
Ohio, Near Grafton, W. Va.

Special Dispatch to the Intelligencer.

GRAFTON, W. VA., July 30.—An old
man wearing the colors of the union
soldier while walking eastward along
the Baltimore & Ohio railroad, near
Irontown, was struck by the engine of
train No. 47, running westward at a
high speed, hurled over the bank and
instantly killed. The noise made by
the approaching train's warning whistle
was sufficient to give the victim time to
get off the track, but he either did not
hear or did not heed the oncoming
train. The mangled remains were
brought here, but nothing could be
found to identify the man. He was
seen on the railroad platform at this
place some days ago. He then said
he belonged to a Michigan regiment,
had walked to this point from Indiana
and was on his way to Washington
to get a pension. His language was
incoherent and he gave evidence
that he was not entirely rational.

NOTES ON NAVIGATION.

Stage of Water and Movements of Boats.
The River Interests.

The river has come up considerable,
the marks now showing twenty-six
inches in the channel. It will prob-
ably recede again, however.

Yesterday's departures were the
Lowry, for Matamoras, at 11 a. m., and
the Mattie K. at 3:30 p. m. for Claring-
ton. To-day the Mattie K. will be the
only departure.

James M. Clark, of Cabell county,
was chosen steamboat inspector in this
district by Judge Jackson and Super-
vising Inspector Chancellor yesterday,
and a kick is now on because Clark does
not live within the limits of Wheeling
district. Captain Ben Goodwin, of this
city, had the best percentage in the
examination, and his friends may make
an effort to prevent the confirmation of
Clark's election by Secretary Carlisle.

Warren—River two-tenths of a foot
below zero; clear and warm.

The torture of dyspepsia and sick
headache, the agonizing itching and
pain of salt rheum, are removed by
Hood's Sarsaparilla.

Don't Give Up the Ship.

So say those who, having experienced its ben-
efits themselves, advise their despairing friends
to use Hostetter's Stomach Bitters for the com-
bined evils—liver complaint, dyspepsia and ir-
regularity of the bowels. Fruitful of benefit is
the bitters in malarial, rheumatic and kidney
troubles and nervousness. Use the great remedy
with persistence.

ALL OVER THE GLOBE

Dr. Pierce's Pleasant Pellets
are known. They are
far more effective in
arousing the liver to
action than the old-fash-
ioned cathartic pills, calomel
or other preparations,
and are purely vegetable and
perfectly harmless in any con-
dition of the system. No care
is required while using them.

They cure indigestion, sick headache, cos-
tiveness, sour stomach, windy belchings,
"heart-burn," pain and distress after eating,
and kindred derangements of the liver,
stomach and bowels.

Montgomery, Orange Co., N. Y.

Dr. Pierce's Dear Sir—I suffered under
miserable with bleeding piles. I could get no
relief night or day, until I commenced using
your "Pleasant Pellets," and now for two
years or more, I have not been troubled with
the piles; if my bowels get in a constipated
condition, I take a dose of Dr. Pierce's Pleas-
ant Pellets, and the trouble is all dispelled
by next day.
